(Department of P & P of BSPTCL)

INVITATION FOR EXPRESSION OF INTEREST (EOI)

The manufacturer/OEM of GIS are requested to come forward for taking up undernoted works on turnkey basis:-

- 1) 04 no's 220 KV Bay Extension at existing 220/132 KV GSS Hajipur. The existing Sub Station is AIS and facing land constraint for extension of 220 KV Bays. BSPTCL has to decide the suitable mode i.e. through GIS or Hybrid.
- 2) 220 KV Bay Extension is also required at existing 220/132 KV Darbhanga AIS Substation. There is acute land constraint at Darbhanga. Suitable mode i.e. GIS or Hybrid is to be selected.
- 3) BSPTCL is also going for construction of 132/33 KV GIS Substation near Patna with program of 220 KV Extension.

The manufacturer/OEM of GIS in India are requested to participate in the discussion on 18.07.2014. The intending bidders are advised to make site visit before the discussion.

It is the first GIS Project of BSPTCL and the scope of work and specification will be decided after the above discussion.

The bidders will be requested to submit budgetary offer corresponding to the scope of work so finalized.
