Office Order No.:86...../BSPTCL

Date: 25/08/21

Trans/P-11/217/2019 (Part-I)

In Board of Director of BSPTCL in its 92nd meeting held on 26.07.2021 vide resolution no.-92-18 approval has been accorded for inclusion / modifications in Standard Bidding Documents for turnkey projects of BSPTCL. Details of inclusion / modifications which have been done in Standard Bidding Documents (SBD Rev-09) are as below:-

- (i) **Inclusion of Specific requirements in eligibility criteria for tenders invited for construction of Design Based Transmission lines** (in addition to the existing requirements) where the ceiling weights and foundation volumes for each type of Tower (including extensions as per technical specification) and Bolts & Nuts are to be assessed and quoted by the Bidder.
- (ii) **Modifications/changes in the following clauses:-**
 - (a) Provisions mentioned in the SBD in respect of imported items.
 - (b) Technical eligibility criteria for GIS Work (GSS & Bays)
 - (c) Technical eligibility criteria for transmission line with 132 KV U/G Cable.
 - (d) Deletion of capitalization of the guaranteed losses of Power transformers.
 - (e) Limitation of two firms only for JV criteria.
 - (f) The certificate issued by Major Qualifies Transmission Companies clarified as major Qualified Transmission Companies (Transmission Licensee(s)).

Accordingly tenders have been floated on e-proc website with SBD Rev-10. This SBD Rev-10 will be applicable for future turnkey tenders of BSPTCL.

This is for kind information.
